

- Step 1: Cut 4 x 8 plywood in half for two 48" x 48" pieces (Big box store will cut for you)
- Step 2: From back of plywood, screw side boards to outside edges of one of the 48" x 48" sheets of plywood.
- Step 3: From back of plywood, screw shelf boards between side boards start at bottom edge and space 12". For more support screw through the side boards into the ends of the shelf boards. (Pre-drill these holes first) It should look like Figure 1 now.
- Step 4: Screw shelf front boards to side boards and shelf boards. It should look like Figure 2 now.
- Step 5: Repeat Steps 1 to 4 for second side.
- Step 6: Add piano hinge, eye hooks, and chain.
